**Describe the orchard:** If known, include fruit types and varieties, approximate acreage of orchard, number of trees, general orchard condition (is it irrigated, pruned, fenced?), threats to orchard (wildlife, disease, insect pests, weeds, tree nearly dead, etc.).

**Property History:** If known, describe person who originally planted orchard, original planting date(s), historical orchard name, ownership history, and historical features (such as homestead house, root cellar, etc.).

**Use of Orchard Fruit:** Describe how fruit is currently being used. (pie, juice, cider, can, etc.) Describe its last known use/market. How many bushels are produced? sold? Does fruit store well?

**Other information:**

Would owner like to participate in The Apple Core Project? yes no not sure

Does owner plan to or have interest in planting new fruit trees? yes no not sure
